Theophany loudspeakers are a culmination of technology and hand-craftsmanship that provide an incredible and emotive listening experience suitable for both Hi-Fi and Home Theatre.

This big, little speaker will truly amaze. Handcrafted in a small cabinet that will enhance any home or apartment, it's looks belie it's impressive capabilities. While having the typical and award winning Theophany mid-range, imaging and energy, this speaker triumph offers bass that will astound in such a small package.
