

Theophany

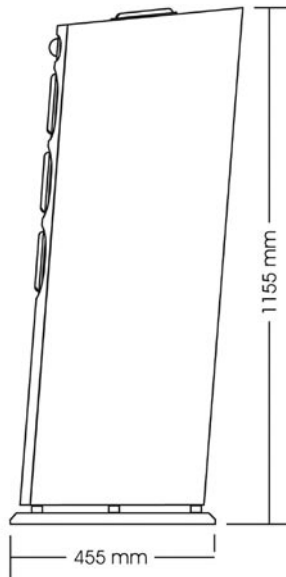

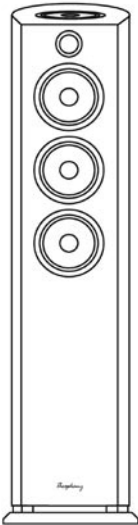

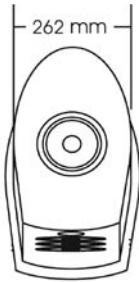

M5

SERIES 2

M5

SERIES 2

Theophany loudspeakers are a culmination of technology and hand-craftsmanship that provide an incredible and emotive listening experience suitable for both Hi-Fi and Home Theatre.

The M5 series 2 has a sealed chamber for the top two woofers and a down firing ported chamber for the bottom two woofers; as well as very accurate internal air flow control in both chambers. This allows us to achieve a very accurate and tight mid-range while still maintaining excellent bass extension.

28Hz – 27kHz +/- 3db | 220 Watts RMS | 6 ohm | 91db efficient
