S2 / S3 / S4

Theophany loudspeakers are a culmination of technology and hand-craftsmanship that provide an incredible and emotive listening experience suitable for both Hi-Fi and Home Theatre.

S2

The S2's are smooth and engaging, providing excellent detail, imaging and frequency response from a compact and beautiful design. Designed to be wall mounted, discrete placement can ensure an aesthetically pleasing but incredibly high performance home theatre system.

40Hz – 27kHz +/- 3db | 125 Watts RMS | 8-16Ω | 87db ef?cient

S3

Radical and uncompromising surround speaker. The S3 is a cross between bi-polar and direct radiating offering a massive sound stage of 160 degrees. The ideal surround speaker in both 5.1 or 7.1 home theatre applications. Providing outstanding detail, imaging and frequency response they will make even the fussiest enthusiast very happy.

38Hz – 27kHz +/- 3db | 150 Watts RMS | 6Ω | 89db ef?cient

S4

Absolutely incredible bi-polar surround speaker. The S4's have been designed for the very best, no compromise home theatre installation. They are ideal as the middle surround speakers in a 7.1 system. They provide incredible punch as well as mid-range detail and re?nement. If you want a home theatre that is the best it can be without using full size main speakers as surrounds, this is the best option for you.

34Hz – 27kHz +/- 3db | 150 Watts RMS | 6Ω | 88db ef?cient
